GAME OF THRONES

CLIMATE CHANGE

by @hangdothiduc

- 1 -

INTRO

Houses of Westeros = Nations on earth

Men of the Night's Watch = Scientists
(+ Leonardo Di Caprio)

White Walkers = Climate Change

- 6 -

TAKE AWAY

- focus on THE SONG OF ICE AND FIRE instead of GAME OF THRONES

Original book series by George R.R. Martin

- find creative ways to convince people
(like bringing a dead)

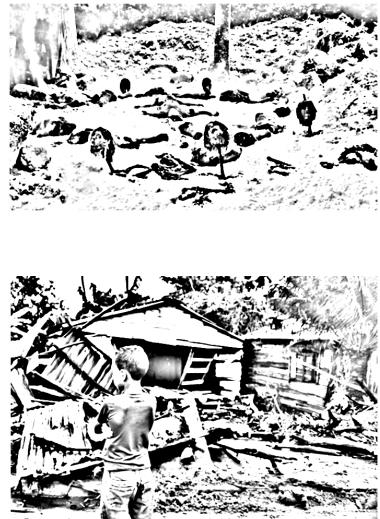

- let's help the Jon Snows of the world best we can

- there's no time but now!

- ending's not written yet

People suffer / die

VICTIMS
HURRICANE
(e.g.)

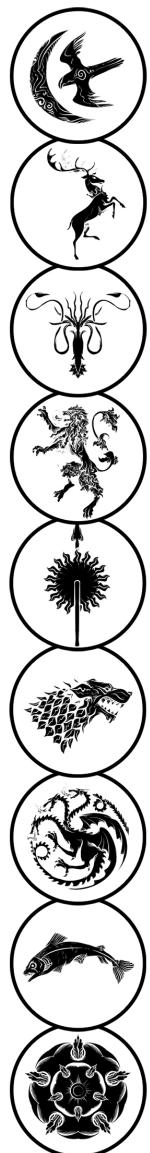

-5-

... while Leaders are
ignorant
or have
other priorities

-2-

-3-

they fight
each other
(for power)

instead of working
together to solve
the problem

POLITICS
...

A series of thick black lines connect the circular icons to the text below them. A large 'X' is drawn over the top two lines.

-3-

Jon
Snows

IT'S REAL!
THEY'RE REAL

You know
nothing,
Jon Snow!

"People's minds are
not made for
problems that large"

- few that
want to believe
(but feel
powerless)

-4-

of the
world:
