

GAME OF THRONES

CLIMATE CHANGE

by @hangdothiduc

INTRO

Houses of Westeros = Nations on Earth

E.G.

E.G.

Men of the Night's Watch = Scientists
(+ Leonardo Di Caprio)

White Walkers = Climate Change

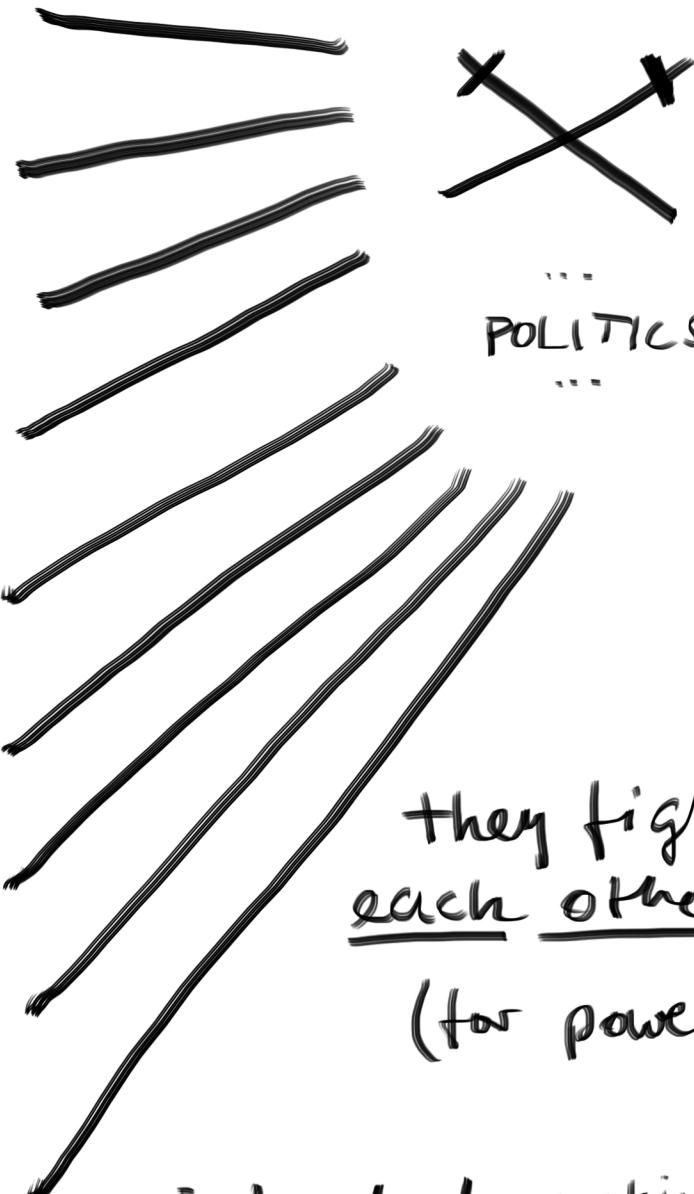

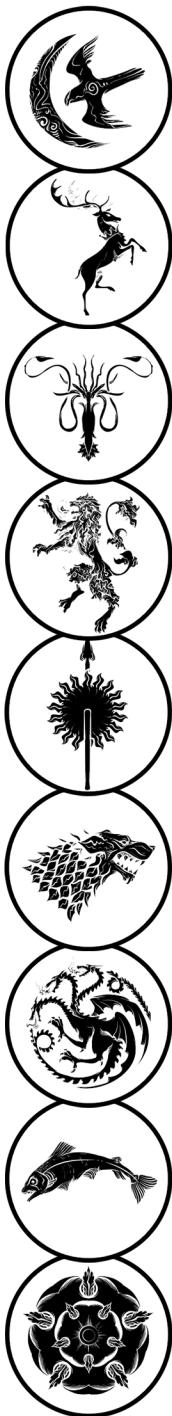

THE NIGHT KING + ARMY OF THE DEAD

THE WALL

THREAT
TO ALL
LIVING

but difficult
to understand
or believe
(in GOT universe)

POLITICS

they fight
each other
(for power)

instead of working
together to solve
the problem

Jon
Snows

of the
world:

IT'S REAL!
THEY'RE REAL

You know
nothing,
Jon Snow!

"People's minds are
not made for
problems that large"

- few that
want to believe
(but feel
powerless)

People suffer / die

WILLINGS
HURRICANE
VICTIMS
(e.g.)

... while Leaders are
ignorant
or have
other priorities

TAKE AWAY

- focus on THE SONG OF ICE AND FIRE instead of GAME OF THRONES
- find creative ways to convince people
(like bringing a dead)
- let's help the Jon Snows of the world best we can
- there's no time but now!
- ending's not written yet

Original book series
by George R.R. Martin
